New Releases October 2020

Clanton, Mississippi. 1990. Jake Brigance finds himself embroiled in a deeply divisive trial when the court appoints him attorney

for Drew Gamble, a timid sixteen-year-old boy accused of murdering a local deputy. Many in Clanton want a swift trial and the death penalty, but Brigance digs in and discovers that there is more to the story than meets the eye. Jake's fierce commitment to saving Drew from the gas chamber puts his career, his financial security, and the safety of his family on the line.

In what may be the most personal and accomplished legal thriller of John Grisham's storied career, we deepen our acquaintance with the iconic Southern town of Clanton and the vivid cast of characters that so many readers know and cherish. The result is a richly rewarding novel that is both timely and timeless, full of wit, drama, and-most of all-heart.

Bursting with all the courthouse scheming, small-town intrigue, and stunning plot twists that have become the hallmarks of the master of the legal thriller, *A Time for Mercy* is John Grisham's most powerful courtroom drama yet.

There is a time to kill and a time for justice. Now comes *A Time for Mercy*.

The first book in twenty-five years from Jerry Seinfeld features his best work across five decades in comedy.

Since his first performance at the legendary New York nightclub "Catch a Rising Star" as a twenty-one-year-old college student in fall of 1975, Jerry Seinfeld has written his own material and saved everything. "Whenever I came up with a funny bit, whether it happened on a stage, in a conversation, or working it out on my preferred canvas, the big yellow legal pad, I kept it in one of those old school accordion folders," Seinfeld writes. "So I have everything I thought was worth saving from forty-five years of hacking away at this for all I was worth."

For this book, Jerry Seinfeld has selected his favorite material, organized decade by decade. In page after hilarious page, one brilliantly crafted observation after another, readers will witness the evolution of one of the great comedians of our time and gain new insights into the thrilling but unforgiving art of writing stand-up comedy.

Brandon Stanton's new book, *Humans*-his most moving and compelling book to date-shows us the world. Brandon Stanton created *Humans of New York* in 2010. What began as a photographic census of life in New York City, soon evolved into a storytelling phenomenon. A global audience of millions began following HONY daily. Over the next several years, Stanton broadened his lens to include people from across the world.

Traveling to more than forty countries, he conducted interviews across continents, borders, and language barriers. *Humans* is the definitive catalogue of these travels. The faces and locations will vary from page to page, but the stories will feel deeply familiar. Told with candor and intimacy, *Humans* will resonate with readers across the globe-providing a portrait of our shared experience.

A collection of all-new soul-satisfying dishes from America's favorite home cook!

In *Modern Comfort Food*, Ina Garten shares 85 new recipes that will feed your deepest cravings. Many of these dishes are inspired by childhood favorites-but with the volume turned way up, such as Cheddar and Chutney Grilled Cheese sandwiches (the perfect match for Ina's Creamy Tomato Bisque), Smashed Hamburgers with Caramelized Onions, and the crispiest hash browns that are actually made in a waffle iron!

There are few things more comforting than gathering for a meal with the ones you love, especially when dishes like Cheesy Chicken Enchiladas are at the center of the table. Old-fashioned crowd pleasers like Roasted Sausages, Peppers, and Onions are even more delicious and streamlined for quick cleanup. For dessert? You'll find the best Boston Cream Pie, Banana Rum Trifle, and Black and White Cookies you'll ever make. Home cooks can always count on Ina's dependable, easy-to-follow instructions, with lots of side notes for cooking and entertaining-it's like having Ina right there beside you, helping you all the way.

From cocktails to dessert, from special weekend breakfasts to quick weeknight dinners, you'll find yourself making these cozy and delicious recipes over and over again.

In the vein of *The Time Traveler's Wife* and *Life After Life*, *The Invisible Life of Addie LaRue* is New York Times bestselling author V. E. Schwab's genre-defying tour de force.

A Life No One Will Remember. A Story You Will Never Forget.
 France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever-and is cursed to be forgotten by everyone she meets.

Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world.

But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name.

Gifted storyteller and bestselling historian H. W. Brands narrates the epic struggle over slavery as embodied by John Brown and Abraham Lincoln-two men moved to radically different acts to confront our nation's gravest sin.

John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery.

Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him from the vortex of violence Brown had set in motion. After Brown's arrest, his righteous dignity on the way to the gallows led many in the North to see him as a martyr to liberty. Southerners responded with anger and horror to a terrorist being made into a saint. Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president. But the time for moderation had passed, and Lincoln's fervent belief

that democracy could resolve its moral crises peacefully faced its ultimate test.

The Zealot and the Emancipator is acclaimed historian H. W. Brands's thrilling and page-turning account of how two American giants shaped the war for freedom.

The Dolans live by their wits, jumping freight trains and lining up for day work at crooked job agencies. While sixteen-year-old Rye yearns for a steady job and a home, his older brother, Gig, dreams of a better world, fighting alongside other union men for fair pay and decent treatment. Enter Ursula the Great, a vaudeville singer who performs with a live cougar and introduces the brothers to a far more dangerous creature: a mining magnate determined to keep his wealth and his hold on Ursula.

Dubious of Gig's idealism, Rye finds himself drawn to a fearless nineteen-year-old activist and feminist named Elizabeth Gurley Flynn. But a storm is coming, threatening to overwhelm them all, and Rye will be forced to decide where he stands. Is it enough to win the occasional battle, even if you cannot win the war?

An intimate story of brotherhood, love, sacrifice, and betrayal set against the panoramic backdrop of an early twentieth-century America that eerily echoes our own time, *The Cold Millions* offers a kaleidoscopic portrait of a nation grappling with the chasm between rich and poor, between harsh realities and simple dreams. Featuring an unforgettable cast of cops and tramps, suffragists and socialists, madams and murderers, it is a tour de force from a "writer who has planted himself firmly in the first rank of American authors" (Boston Globe).

Things take an unexpected turn on a cross country trip for the Wimpy Kid and his family, and they find themselves stranded at an RV park that's not exactly a summertime paradise. When the skies open up and the water starts to rise, the Heffleys wonder if they can save their vacation-or if they're already in too deep. And don't miss Rowley Jefferson's Awesome Friendly Adventure, an all-new fantasy from Greg's best friend-the follow-up to the

instant #1 bestseller Diary of an Awesome Friendly Kid: Rowley Jefferson's Journal.

The Deep End, is book 15 of the Diary of a Wimpy Kid series
